

# SCIENTIFIC PROGRAMME

# Thursday 14 May 2009

## 08.30 – 10.00 Opening Ceremony with key note lecture

Welcome by Roar Maagaard, Chair of the Danish College of GP – DK

Introduction by Anna Stavdal, Chair of the Nordic Federation of GPs – N

Opening speech by Mr. Jakob Axel Nielsen, Danish Minister of Health

Introduction to the Congress by Susanne Reventlow,  
President of the Scientific Committee – DK

Key note lecture by Barbara Starfield, MD, MPH, Professor – USA  
*General practice as an integrated part of the health care system*

## 10.45 – 12.15 Symposia, workshops and oral presentations

### Session room 1

- 10.45 – 12.15 OP01 GP as an integrated part of the health care systems  
Care for the chronically ill – Oral Presentations session 01
- 10.45 – 11.00 OP01.1 Referrals from general practice in Denmark  
– a one-day registration  
*Anders Munck (DENMARK), K Møller Pedersen, J Damsgaard,  
L Poulsen, P Vedsted, D Gilså Hansen*
- 11.00 – 11.15 OP01.2 Developing general practice: the role of the APO method  
*Eva Lena Strandberg (SWEDEN)*
- 11.15 – 11.30 OP01.3 Implementation of local guideline by interactive workshop  
improves anticoagulation therapy and patient safety  
*Jaana Puhakka (FINLAND), I Suvanto, R Sipilä*
- 11.30 – 11.45 OP01.4 Do cancer patients' symptoms influence the pattern of delay?  
*Rikke Pilegaard Hansen (DENMARK), P Vedsted, I Sokolowski,  
F Olesen*
- 11.45 – 12.00 OP01.5 Diagnostic delay in cancer in primary health care – before and  
after the introduction of urgent suspected cancer referrals  
*Mette Bach Larsen (DENMARK), P Vedsted, D Gilså Hansen,  
F Olesen*

## Session room 2

- 10.45 – 12.15 OP02 Care for the chronically ill – Oral Presentations session 02
- 10.45 – 11.05 OP02.1 **Attitudes and reactions among general practitioners to a new set-up for the management of patients with diabetes**  
*Søren Torkil Svenstrup (DENMARK), MS Andersen, S Rygner, J Damsgaard*
- 11.05 – 11.25 OP02.2 **6-year vision loss in patients newly diagnosed with clinical type 2 diabetes. What can the patients expect?**  
*Niels de Fine Olivarius (DENMARK), V Siersma, GJ Almind, NV Nielsen*
- 11.25 – 11.45 OP02.3 **Changes in levels of haemoglobin A1c during the first 6 years after diagnosis of clinical type 2 diabetes. Clinical implications**  
*Niels de Fine Olivarius (DENMARK), V Siersma, LJ Hansen, T Drivsholm, M Hørder*
- 11.45 – 12.05 OP02.4 **16-year excess all-cause mortality of newly diagnosed type 2 diabetic patients**  
*Lars J Hansen (DENMARK), N de Fine Olivarius, V Siersma*

## Session room 3

- 10.45 – 12.15 EX01 **GP as an integrated part of the health care system**  
**Working in general practice in the Nordic countries – exhibiting and discussing what it means to work in general practice in the Nordic countries. See also workshop 18.**  
*Charlotte Tulinius (DENMARK), P Stensland, CE Rudebeck, A Hibble*

## Session room 8

- 10.45 – 12.15 S01 **Care for the chronically ill**  
**Are patients with chronic diseases a new challenge to general practice?**  
*Dorte Ejg Jarbøl (DENMARK), LM Begtrup, KK Larsen, J Lykkegaard, L Ledderer, J Søndergaard*

## Session room 09

- 10.45 – 12.15 S02 **Care for the chronically ill**  
**News in respiratory diseases**  
*Thomas Gorlén (DENMARK), M Lindbæk, L Bjerrum, G Moth, M Stubbe Østergaard, S Brorson, AD Guassora*

## Session room 10

- 10.45 – 12.15 S03 **Methodological issues in Res., Edu. & Qual. improvements**  
**The Nordic Maturity Matrix experience**  
*Tina Eriksson (DENMARK), AGK Edwards, L Tapp, J Thesen, L Løgstrup, A Adeler*

### Session room 11

- 10.45 – 12.15 W01 Preventive medicine  
**Primary Care and prevention**  
*Susanne Reventlow & Roar Magaard (DENMARK), B Starfield*

### Session room 12

- 10.45 – 12.15 W02 GP as an integrated part of the health care system  
N.B. Scandinavian language used in this session  
**The practice consultant system (Praksiskonsulentordningen PKO) a tool for better cooperation and communication between general practice and secondary care**  
*Olav Thorsen (NORWAY), J Rubak, S Thyberg*

### Session room 13

- 10.45 – 12.15 W03 State of the Art  
N.B. Scandinavian language used in this session  
**Lægehåndbogen/NEL; the GP's website for updated clinical information**  
*Hans Christian Kjeldsen (DENMARK), F Klamer, A Damgaard, BL Ravn, T Johannessen, I Løge*

### Session room 14

- 10.45 – 12.15 W04 Preventive medicine  
**Motivational interviewing – a promising intervention for lifestyle changes in general practice**  
*Thomas Mildestvedt (NORWAY), E Meland*

### Session room 15

- 10.45 – 12.15 W05 Methodological issues in Res., Edu. & Qual. improvements  
**Publishing for the future: Tricks for authors and readers. The Scandinavian Journal of Primary Health Care Systems**  
*Jakob Kragstrup (DENMARK), A Bærheim, A Håkansson, J Sigurdsson, H Varonen, P Vedsted, D MacAuley*

## 13.30 – 15.00 Symposia, workshops and oral presentations

### Session room 1

- 13.30 – 15.00 OP03 GP as an integrated part of the health care system, Methodological issues in Res., Edu. & Qual. improvements – Oral Presentations session 03
- 13.30 – 13.45 OP03.1 **What kind of support do general practitioners want while developing the structure in their own practice?**  
*Holger Rasmussen (DENMARK), LG Johansen*
- 13.45 – 14.00 OP03.2 **Health care providers back pain beliefs unaffected by a media campaign**  
*Erik L Werner (NORWAY), DP Gross, SA Lie, C Ihlebæk*

- 14.00 – 14.15 OP03.3 **Challenges and problems young doctors face in health centers**  
*Juhani Jaaskelainen (FINLAND), I Virjo*
- 14.15 – 14.30 OP03.4 **Financing health care system and the role of capitation in the Serbian context**  
*Olivera Cirkovic (SERBIA), M Prostran, M Jecmenica, G Markovic*
- 14.30 – 14.45 OP03.5 **Strengthening center for prevention in primary health care center 'Zemun'**  
*Olivera Cirkovic (SERBIA), M Prostran, M Jecmenica, G Markovic*
- 14.45 – 15.00 OP03.6 **A systematic review of 4 injection therapies for lateral epicondylitis**  
*David Rabago (UNITED STATES OF AMERICA), T Best, A Zgierska, E Zeisig, M Ryan, D Crane*

### Session room 2

- 13.30 – 15.00 OP04 **Care for the chronically ill – Oral Presentations session 04**
- 13.30 – 13.45 OP04.1 **Hypertension in general practice – an APO-audit**  
*Jens Damsgaard (DENMARK), P Schultz-Larsen, L Reuther, L Poulsen, D Gilså Hansen, J Søndergaard, M Andersen, A Munck*
- 13.45 – 14.00 OP04.2 **Use and effect of different combined medications of hypertension in Finnish PHC**  
*Pertti Soveri (FINLAND), K Winell*
- 14.00 – 14.15 OP04.3 **Does the weight history of patients with newly diagnosed type 2 diabetes influence the weight changes after diabetes diagnosis?**  
*Niels de Fine Olivarius (DENMARK), V Siersma, FB Waldorff*
- 14.15 – 14.30 OP04.4 **Predictors of 5-year mortality of 1,323 patients newly diagnosed with clinical type 2 diabetes in general practice**  
*Niels de Fine Olivarius (DENMARK), V Siersma, ABS Nielsen, LJ Hansen, L Rosenvinge, CE Mogensen*
- 14.30 – 14.45 OP04.5 **The effect of GPs' seminar attendance on the treatment of their patients with diabetes**  
*Volkert Siersma (DENMARK), N de Fine Olivarius*
- 14.45 – 15.00 OP04.6 **End-of-life care in a physician's work in Finnish health centres**  
*Elise Kosunen (FINLAND), K Hautala, A Fält, H Hinkka, U-K Lammi, P-L Kellokumpu-Lehtinen*

### Session room 3

- 13.30 – 15.00 EX01 **GP as an integrated part of the health care system – Exhibition Working in general practice in the Nordic countries – exhibiting and discussing what it means to work in general practice in the Nordic countries. See also workshop 18.**  
*Charlotte Tulinius (DENMARK), P Stensland, CE Rudebeck, A Hibble*

### Session room 8

- 13.30 – 15.00 S04 Preventive medicine  
N.B. Scandinavian language used in this session  
**Does the health care system induce harm? Reflections from general practice**  
*John Brodersen (DENMARK), L Englund, L Getz, P Halvorsen, I Hetlevik, B Hovellius, L Hvas, E Meland, J Sigurdsson, A Stavdal, G Sjönell*

### Session room 9

- 13.30 – 15.00 S05 Care for the chronically ill  
**Improving the health in persons with type 2 diabetes – results from intervention studies targeting patients, practice staff and GPs with focus on implementation challenges**  
*Anneli Sandbæk (DENMARK), H Terkildsen, M Jeppesen, L Juul, T Guldberg*

### Session room 10

- 13.30 – 15.00 W06 Methodological issues in Res., Edu. & Qual. improvements  
**A Danish “model” for quality improvement in general practice – keeping the balance?**  
*Tina Eriksson (DENMARK), S Friborg, L Grosen*

### Session room 11

- 13.30 – 15.00 W07 Methodological issues in Res., Edu. & Qual. improvements  
**Do you vote for penicillin? Workshop on respiratory tract infections**  
*Ulf Eriksson (SWEDEN), A Munck, D Gilså Hansen, EL Strandberg, L Bjerrum, S Mölsted*

### Session room 12

- 13.30 – 15.00 S06 Methodological issues in Res., Edu. & Qual. improvements  
**Hjem til Babel – Babel revisited. Do we need our nordic professional languages?**  
*Elisabeth Swensen (NORWAY), D Gannik, I Heath, C Haug*

### Session room 13

- 13.30 – 15.00 W08 GP as an integrated part of the health care system  
**GP trainee: future gatekeeper or advisor? What is your identity?**  
After the workshop you are invited to a social arrangement – see [www.gp2009cph.com](http://www.gp2009cph.com)  
*Thomas Hansen (DENMARK), KK Larsen, HI Kise, M Rimmen*

### Session room 14

- 13.30 – 15.00 OP05 Preventive medicine – Oral Presentations session 05
- 13.30 – 13.50 OP05.1 **The risk-drinking project – an effective approach to achieve changes in your patients’ habits of drinking alcohol**  
*Åsa Wetterqvist (SWEDEN), S Wåhlin*

- 13.50 – 14.10 OP05.2 **When state-of-the-art medical technologies for prevention of life style related harm meets everyday general practice**  
*Anders Beich (DENMARK)*
- 14.10 – 14.30 OP05.3 **Strengthening the patients' power to implement life style changes**  
*Liv Tveit Walseth (NORWAY)*
- 14.30 – 14.50 OP05.4 **Self-reported cognitive and emotional effects and life style changes shortly after preventive cardiovascular consultations in general practice**  
*Dea Kehler (DENMARK), M Bondo Christensen, M Bech Risør, T Lauritzen, B Christensen*

### Session room 15

- 13.30 – 15.00 S07 **Methodological issues in Res., Edu. & Qual. improvements**  
**How to increase knowledge of reason for encounter and activities in general practice**  
*Peter Vedsted (DENMARK), M Rosendal, M Trøllund Rask, G Moth*

## 15.30 – 17.00 Symposia, workshops and oral presentations

### Session room 1

- 15.30 – 17.00 OP06 **GP as an integrated part of the health care system**  
– Oral Presentations session 06
- 15.30 – 15.45 OP06.1 **Nurse practitioners substituting for general practitioners in the care for patients with common complaints; a randomised controlled trial**  
*Angelique Dierick – van Daele (NETHERLANDS), J Metsemakers, L Steuten, E Derckx, C Spreeuwenberg, B Vrijhoef*
- 15.45 – 16.00 OP06.2 **Arctic nurses in Greenland: triage and treatment**  
*Dorte Gilså Hansen (DENMARK), JO Veje, E Skifte, AB Kjeldsen, A Munck*
- 16.00 – 16.15 OP06.3 **Patients' use of and preferences for a practice homepage – how to improve service and access?**  
*Cathrine Dyrskov (DENMARK), P Vedsted, P Kallestrup, R Maagaard, TE Jakobsen, J-K Poulsen*
- 16.15 – 16.30 OP06.4 **Development of a homepage in general practice based on patient feedback**  
*Jens-Kristian Poulsen (DENMARK), TE Jakobsen, P Vedsted, P Kallestrup, R Maagaard, C Dyrskov*

## Session room 2

- 15.30 – 17.00 OP07 Complex health problems, Methodological issues in Res., Edu. & Qual. improvements – Oral Presentations session 07
- 15.30 – 15.55 OP07.1 **Increasing sales of selective serotonin reuptake inhibitors is closely related to increasing number of products on the market**  
*Margrethe Nielsen (DENMARK), PC Gøtzsche*
- 15.55 – 16.20 OP07.2 **Benzodiazepine reduction in general practice – it's easy!**  
*Viggo Kragh Jørgensen (DENMARK)*
- 16.20 – 16.40 OP07.3 **Clinical trails sponsored by the pharmaceutical industry in Norwegian general practice**  
*Kaspar Buus Jensen (NORWAY), J Straand*

## Session room 3

- 15.30 – 17.00 EX01 **GP as an integrated part of the health care system**  
**Working in general practice in the Nordic countries– exhibiting and discussing what it means to work in general practice in the Nordic countries. See also workshop 18.**  
*Charlotte Tulinius (DENMARK), P Stensland, CE Rudebeck, A Hibble*

## Session room 8

- 15.30 – 17.00 S08 **Methodological issues in Res., Edu. & Qual. improvements**  
**Epidemiology in general practice – the Nordic paradise**  
*Mogens Vestergaard (DENMARK), H Schroll, M Andersen, C Obel*

## Session room 09

- 15.30 – 17.00 S09 **Care for the chronically ill**  
**The different faces of type 2 diabetes. Shifting attention in diagnosis and treatment**  
*Niels de Fine Olivarius (DENMARK), AK Jenum, A Thi Tran, K Winell, PE Wändell, S Jansson, PE Heldgaard, LJ Hansen, H Lohmann, T Drivsholm, V Siersma*

## Session room 10

- 15.30 – 17.00 S10 **GP as an integrated part of the health care system**  
**Organisation and change in general practice**  
*Thorkil Thorsen (DENMARK), M Kousgaard, AD Guassora, L Borgquis, R Dalsted, JS Andersen, D Gannik*

## Session room 11

- 15.30 – 17.00 W09 **State of the Art**  
**N.B. Scandinavian language used in this session**  
**Ouch, my back hurts – this is how you can manage it!**  
*Peter Silbye (DENMARK), P Holck, A Gravesen*

### Session room 12

- 15.30 – 17.00 W10 **Care for the chronically ill**  
**Quality improvement of managing COPD in general practice**  
**“How to make your own quality improvement programme”**  
**“How to implement guidelines”**  
*Lill Moll Nielsen (DENMARK), T Hellebæk, SH Henrichsen,  
JS Jónsson, K Lisspers, A Østrem*

### Session room 13

- 15.30 – 17.00 W11 **Preventive medicine**  
**Sharing decisions and explaining risk reductions; should GPs**  
**use numbers?**  
*Tina Eriksson (DENMARK), PA Halvorsen, I Sønbo Kristiansen,  
AGK Edwards*

### Session room 14

- 15.30 – 17.00 OP08 **Preventive medicine – Oral Presentations session 08**
- 15.30 – 15.50 OP08.1 **Health care and other threats against subjective health**  
*Eivind Meland (NORWAY), H-J Bredablik, S Lydersen*
- 15.50 – 16.10 OP08.2 **“Couldn’t you have done just as well without the screening?”**  
**Qualitative study of benefits from a health screening**  
*Karen-Dorthe Bach Nielsen (DENMARK)*
- 16.10 – 16.30 OP08.3 **Body size perception among Inuit women in Greenland:**  
**do obese women consider themselves obese?**  
*Anni BS Nielsen (DENMARK), NK Larsen, P Bjerregaard*
- 16.30 – 16.50 OP08.4 **Pain as predictor for osteoarthritis in hand, hip and knee.**  
**A 10-year prospective population study**  
*Bård Natvig (NORWAY), N Østerås, D Bruusgaard*

### Session room 15

- 15.30 – 17.00 S11 **Methodological issues in Res., Edu. & Qual. improvements**  
**N.B. Scandinavian language used in this session**  
**How stories can develop general practice**  
*Lise Dyhr (DENMARK), C Tulinius, B Hølge-Hazelton,  
A Sonne Nielsen*

- PPM02** By what criteria do General Practitioners (GPs) assess newly developed decision aids?  
*Pia Kirkegaard (DENMARK), M Risør, A Junge, B Hansen, A Edwards, JL Thomsen*
- PPM03** Risk communication between General Practitioners and patients with hypercholesterolemia  
*Bo Hansen (DENMARK), P Kirkegaard, MSA Jensen, T Lauritzen, A Edwards, P Vedsted, JL Thomsen*
- PPM04** May attention to uncovered basic needs facilitate preventive work? Health related goals in preventive consultations  
*Kirsten S Freund (DENMARK), J Lous*
- PPM05** The comparison of cholesterol level and risk factors among patients of two primary health centers  
*Galina Rusanova (RUSSIAN FEDERATION), T Kovalenko*
- PPM06** Vitamin D deficiency in general practice  
*Ege Schultz (DENMARK)*
- PPM07** Why do people choose cardiovascular prevention therapy – and why do they not?  
*Charlotte Gry Harmsen (DENMARK), J Nexøe, H Støvring, D Gyrd-Hansen, A Edwards, I Sønbo Kristiansen*
- PPM08** Using an SMS Based automated patient recall system in family practice  
*Wilfred Galea (MALTA)*
- PC09** Childhood malignancies. Symptoms and delay in diagnosis and treatment.  
*Jette Møller Ahrensberg (DENMARK), F Olesen, P Vedsted, RP Hansen, H Schrøder*
- PC10** Barriers challenging the GP when intervening with high risk off-springs  
*Catalina Klint Dybkjær (DENMARK)*
- PC11** Relations among worry, attachment styles and perceived parental rearing in primary school children of Korea  
*S-G Kang (SOUTH KOREA), S-W Song, J-H Shin*
- PX1.12** Health seeking behaviour among people with early alarm symptoms of cancer  
*Rikke P Svendsen (DENMARK), BL Hansen, DE Jarbøl, J Kragstrup, H Støvring, J Søndergaard*
- PX1.13** The usage of antibiotics for respiratory tract infections in primary care. An APO-audit in Archangelsk region, Russia  
*Elena Andreeva (RUSSIAN FEDERATION), I Ovhed*

- PX1.14 Happy Audit – an EU project for improvement of diagnosis and treatment of respiratory tract infections. Results from the first registration**  
*Anders Munck (DENMARK), C Dam, M Plejdrup, B Gahrn-Hansen, DE Jarbøl, L Bjerrum*
- PX1.15 The health care need among undocumented migrants. Experiences from The Red Cross Project: health care for irregular migrants in Stockholm 2008**  
*Magdalena Fresk (SWEDEN), H Ganslandt*
- PGP16 Minor ailments in after-hours care – an observational study**  
*Lina K Welle-Nilsen (NORWAY), T Morken, S Hunskaar, AG Granås*
- PGP17 7 patients a day avoid hospitalisation**  
*Torben Hellebek (DENMARK), M Thomsen, L Fønnesbæk*
- PGP18 The use and results of prostate-specific antigen testing in general practice in the former Aarhus county**  
*Thomas Ostensen Mukai (DENMARK), F Bro, KV Pedersen, P Vedsted*
- PGP19 Organisation of primary care and the agency relationship – a planned project on preference elicitation emphasising the discrete choice experiment**  
*Line Bjørnskov Pedersen (DENMARK)*
- PGP20 Tele-home-care and web-based communication in palliative care**  
*Jens Erik Warfvinge (DENMARK), MA Neergaard, T Brogaard, N Ejkskaer, AB Jensen*
- PGP21 Outsourced out of hour services in primary health care in Finland**  
*Jarmo Kantonen (FINLAND)*
- PGP22 Care for chronically ill – flows, actors, and systems**  
*Klaes Rohde Ladeby (DENMARK), K Edwards, J Kragstrup*
- PGP23 Practise nurse posteducation**  
*Michala Merete Eich (DENMARK)*

# Friday 15 May 2009

## 08.30 – 10.00 Key note lectures

Key note lecture by Mikkel Vass, MD, GP, researcher (DENMARK)  
*GPs are needed for the management of health problems among older people in primary care – What shall we do?*

Key note lecture by Linn Getz, MD, Ph.D. (NORWAY & ICELAND)  
*Molecules, Minds, Morrison and Medicine – the 4M Study*

## 10.45 – 12.15 Symposia, workshops and oral presentations

### Session room 1

10.45 – 12.15 W12 **Methodological issues in Res., Edu. & Qual. improvements**  
N.B. Scandinavian language used in this session  
**Data capture of diabetes data in Danish General Practice – results after one year's experience with automatic data collection and feed back**  
*Henrik Schroll (DENMARK), S Friborg, L Grosen*

### Session room 2

10.45 – 12.15 W13 **GP as an integrated part of the health care system**  
N.B. Scandinavian language used in this session  
**General Practice Unit, quality organisation as a dynamo to create regional development and improvement of quality in general practice**  
*Jens Rubak (DENMARK), F Bro, P Ehlers*

### Session room 3

10.45 – 12.15 S12 **Methodological issues in Res., Edu. & Qual. improvements**  
**Qualitative methods in theory and practice**  
*Anette H Graungaard (DENMARK), K Malterud, A Davidsen, AD Guassora*

### Session room 8

10.45 – 12.15 S13 **GPs as an integrated part of the health care system**  
**The future role of general practice in palliative care and bereavement**  
*Peter Vedsted (DENMARK), B Aabom, BA Jespersen, T Brogaard, M-B Guldin, MA Neergaard*

### Session room 9

- 10.45 – 12.15 S14 Preventive medicine  
**How can we contribute to fight the overweight epidemic in general practice?**  
*Carsten Obel (DENMARK), TIA Sørensen, T Skovgaard, M Koch Aabel, C-E Flodmark*

### Session room 10

- 10.45 – 12.15 W14 Methodological issues in Res., Edu. & Qual. improvements  
**The dynamic GP training: critical appraisal training 'in action'**  
*Charlotte Tulinius (DENMARK), C Hermann, LJ Hansen, ABS Nielsen*

### Session room 11

- 10.45 – 12.15 W15 Methodological issues in Res., Edu. & Qual. improvements  
**Theoretical education of specialist training in general practice**  
*Paula Vainiomäki (FINLAND), M Thastum Vedsted, J Schramm*

### Session room 12

- 10.45 – 12.15 S15 Care for the chronically ill  
**Evidence-based information at invitation to breast cancer screening**  
*John Brodersen (DENMARK), P Gøtzsche, O Hartling, Kjørgensen*

### Session room 13

- 10.45 – 12.15 S16 Complex health problems  
N.B. Scandinavian language used in this session  
**Prescribing in general practice – how can we improve the quality of drug use?**  
*Jens Søndergaard (DENMARK), M Andersen, B Christensen, A Halling, J Straand*

### Session room 14

- 10.45 – 12.15 OP09 Complex health problems – Oral Presentations session 09
- 10.45 – 11.00 OP09.1 General practice as a viable model for health care directed at severely marginalised substance-using homeless  
*Henrik Thiesen (DENMARK)*
- 11.00 – 11.15 OP09.2 Counselling young immigrant women worried about problems related to the “protection of family honour” – the perspective of school nurses/counselors  
*Venus Alizadeh (SWEDEN), L Törnkvist, I Hylander*
- 11.15 – 11.30 OP09.3 Number of musculoskeletal pain sites is an important dimension. Results from the Ullensaker study I  
*Dag Bruusgaard (NORWAY), B Natvig, C Ihlebæk, Y Kamaleri*

- 11.30 – 11.45    **OP09.4**    **Functional ability decreases with increasing number of musculoskeletal pain sites. Results from the Ullensaker study II**  
*Dag Bruusgaard (NORWAY), B Natvig, C Ihlebæk, Y Kamaleri*
- 11.45 – 12.00    **OP09.5**    **The multisymptom patient and the 'one syndrome hypothesis'. Results from the Ullensaker study III**  
*Dag Bruusgaard (NORWAY), B Natvig, C Ihlebæk, Y Kamaleri*

### Session room 15

- 10.45 – 12.15    **W16**    **GP as an integrated part of the health care system**  
**Out-of-hours primary health care services in the Nordic countries – Vision 2015**  
*Janecke Thesen (NORWAY), J Blinkenberg, GT Bondevik, J Kantonen, JL Reventlow, S Engström, OR Mortensen, TG Olafsson*

## 13.30 – 15.00    Symposia, workshops and oral presentations

### Session room 1

- 13.30 – 15.00    **W17**    **GP as an integrated part of the health care system**  
**N.B. Scandinavian language used in this session**  
**Patient safety and adverse events in general practice**  
*Torben Hellebek (DENMARK), P Simonsen, L Gehlert, J Rubak*

### Session room 2

- 13.30 – 15.00    **NM01**    **GP as an integrated part of the health care system**  
**Partners in Practice – establishing an international development programme of the Danish College of General Practice**  
*Per Kallestrup (DENMARK)*

### Session room 3

- 13.30 – 15.00    **W18**    **GP as an integrated part of the health care system**  
**Working in general practice in the Nordic countries – exhibiting and discussing what it means to work in general practice in the Nordic countries**  
*Charlotte Tulinius (DENMARK), P Stensland, CE Rudebeck, A Hibble*

### Session room 8

- 13.30 – 15.00    **S17**    **Methodological issues in Res., Edu. & Qual. improvements**  
**Developing and evaluating complex interventions.**  
**What to caution?**  
*Anelli Sandbæk (DENMARK), F Bro, Y de Boer, M Rosendal, H Terkelsen*

### Session room 9

- 13.30 – 15.00 S18 **Methodological issues in Res., Edu. & Qual. improvements**  
**How can we prepare the future GP to cope with the complexity and uncertainty of a changing health care system?**  
*Helena Galina Nielsen (DENMARK), M Torppa, K Fjeldsted, J Salinsky, AS Davidsen, D Kjeldmand, M Schie, J Nessa, H Kamps*

### Session room 10

- 13.30 – 15.00 S19 **GP as an integrated part of the health care system**  
**Rehabilitation of cancer patients and survivors: is general practice in or out?**  
*Dorte Gilså Hansen (DENMARK), L Holm, M Thygesen, SH Bergholt, AD Guassora, R Dalsted, C Wulff, P Vedsted*

### Session room 11

- 13.30 – 15.00 S20 **Methodological issues in Res., Edu. & Qual. improvements**  
**Educating GPs the Danish way, five years of experience**  
*Niels Kristian Kjær (DENMARK), R Maagaard, E Mouritsen, J Isaksen, M Munk, S Wied, A Nielsen*

### Session room 12

- 13.30 – 15.00 W19 **Preventive medicine**  
**A framework of uncertainty in medical decision making**  
*Laurel Austin (DENMARK), J Brodersen, S Reventlow, P Sandøe*

### Session room 13

- 13.30 – 15.00 S21 **GP as an integrated part of the health care system**  
**Equity in primary care? Challenges, differences and similarities in the Nordic countries**  
*Lise Dyhr (DENMARK), M Löfwander, S Kokko, A Kasemo, N Kolstrup, P Vedsted*

### Session room 14

- 13.30 – 15.00 S22 **Children – Opportunities and challenges**  
**Challenges when communicating with children and their parents in general practice**  
*Anette H Graungaard (DENMARK), R Ertman, K Lykke, M Hafting*

### Session room 15

- 13.30 – 15.00 W20 **Complex health problems**  
**'Junkie' in the emergency room – explorations with Forum Theatre**  
*Janecke Thesen (NORWAY), MB Lyngstad*

## Session room 1

- 15.30 – 17.00 OP10 Preventive medicine, Methodological issues in Res., Edu. & Qual. improvements – Oral Presentations session 10
- 15.30 – 15.45 OP10.1 **Current European guidelines for management of arterial hypertension: are they adequate for use in primary care?**  
*Halfdan Petursson (ICELAND), L Getz, J Sigurdsson, I Hetlevik*
- 15.45 – 16.00 OP10.2 **Increasing incidence of statin prescribing for the elderly without previous cardiovascular conditions. A nation wide register study**  
*Helle Wallach Kildemoes (DENMARK), M Andersen*
- 16.00 – 16.15 OP10.3 **The European Heart SCORE system – a useful tool in practice?**  
*Henrik Støvring (DENMARK), I Kristiansen*
- 16.15 – 16.30 OP10.4 **GPs' decisions on statin therapies by number needed to treat (NNT)**  
*Peder Andreas Halvorsen (NORWAY), T Wisløff, IS Kristiansen*
- 16.30 – 16.45 OP10.5 **Evaluating a PSA decision aid (Prosdex) for informed decisions: a web-based RCT**  
*Adrian Edwards (UNITED KINGDOM), R Evans, N Joseph, R Newcombe, R Grol, P Wright, P Kinnersley, J Griffiths, M Jones, J Williams, G Elwyn*

## Session room 2

- 15.30 – 17.00 W21 **Methodological issues in Res., Edu. & Qual. improvements**  
N.B. Scandinavian language used in this session  
**Value based medicine in general practice**  
*Jan-Helge Larsen (DENMARK), C Hedberg, A Beich*

## Session room 3

- 15.30 – 17.00 EX01 **GP as an integrated part of the health care system**  
**Working in general practice in the Nordic countries – exhibiting and discussing what it means to work in general practice in the Nordic countries. See also workshop 18.**  
*Charlotte Tulinius (DENMARK), P Stensland, CE Rudebeck, A Hibble*

## Session room 8

- 15.30 – 17.00 S23 **Complex health problems**  
**Tracing depression among adolescents**  
*Kaj Sparle Christensen (DENMARK), OR Haavet, M Sirpal, W Haugen*

## Session room 9

- 15.30 – 17.00 W22 **Methodological issues in Res., Edu. & Qual. improvements**  
**Educational group leadership – the Nordic ways**  
*Helena Galina Nielsen (DENMARK), K Prestegaard, P Prydz, HH Sørensen, M Munk*

### Session room 10

- 15.30 – 17.00 W23 **Methodological issues in Res., Edu. & Qual. improvements**  
**Developing and evaluating complex interventions.**  
**What to caution?**  
*Anneli Sandbæk (DENMARK), F Bro, Y de Boer*

### Session room 11

- 15.30 – 17.00 S24 **Methodological issues in Res., Edu. & Qual. improvements**  
**Teach the teacher: Nordic experiences in pedagogical develop-**  
**ments in a pregraduate medical curriculum in general practice**  
*Merete Jørgensen (DENMARK), K Witt, K Holtedahl, G Nilsson*

### Session room 12

- 15.30 – 17.00 W24 **Methodological issues in Res., Edu. & Qual. improvements**  
**Communicating test results: considering diagnostic and**  
**screening tests**  
*Laurel Austin (DENMARK), V Siersma, H Lynge Jensen, J Brodersen*

### Session room 13

- 15.30 – 17.00 S25 **Complex health problems**  
**Addiction and drug/alcohol abuse as a complex bio-psycho-social**  
**health problem – a challenge for primary health care**  
*Ivar Skeie (NORWAY), D Haarr, B Hjerkin, KB Kielland, TG Lid, H Sundby*

### Session room 14

- 15.30 – 17.00 OP11 **Children – Opportunities and challenges**  
**– Oral Presentations session 11**
- 15.30 – 15.50 OP11.1 **The GALKER test; a speech reception in noise test for 3- to**  
**6-year-old children**  
*Jørgen Lous (DENMARK), E Galker*
- 15.50 – 16.10 OP11.2 **Sleep habits and sleep problems in the postmodern family.**  
**A study of children attending child day care center**  
*Margareta Söderström (SWEDEN), K Ekelund, L Åström*
- 16.10 – 16.30 OP11.3 **Paracetamol for feverish children:**  
**parental motives and experiences.**  
*Janne F Jensen (DENMARK), LL Tønnesen, M Söderström, H Thorsen, V Siersma*
- 16.30 – 16.50 OP11.4 **Grommet insertion in pre-school children**  
*Ulf Schönsted-Madsen (DENMARK), L Jung, B Svendstrup, A Munck*

## Session room 15

- 15.30 – 17.00 OP12 GP as an integrated part of the health care system, Methodological issues in Res., Edu. & Qual. improvements – Oral Presentations session 12
- 15.30 – 15.45 OP12.1 **Peer-based learning of communication and medical skills for nurses handling phone calls in out-of-hours primary health care services**  
*Bjørnar Nyen (NORWAY), GT Bondevik, E Holm-Hansen, MK Foss*
- 15.45 – 16.00 OP12.2 **The epidemiology of out-of-hospital emergencies and GPs participation in Norway**  
*Erik Zakariassen (NORWAY), S Hunskår*
- 16.00 – 16.15 OP12.3 **Experiences with a local emergency plan**  
*Jesper Blinkenberg (NORWAY), S Hunskår*
- 16.15 – 16.30 OP12.4 **Are psychiatric emergency care patients in touch with their GP?**  
*Ingrid H Johansen (NORWAY), T Morken, S Hunskaar*
- 16.30 – 16.45 OP12.5 **Activity in out-of-hours services in Norway in 2007**  
*Elisabeth Holm Hansen (NORWAY), E Zakariassen, S Hunskaar*
- 16.45 – 17.00 OP12.6 **Low predictive value of mecillinam resistance in pivmecillinam therapy for most uropathogens but high selection of enterococci in lower UTI**  
*Sven A Ferry (SWEDEN), SE Holm, BM Ferry, TJ Monsen*

## Poster Exhibition Friday 15 May 2009 – Authors will be present 15.30 – 17.00

- PCI24 **Challenges in classification of asthma severity from prescription data: a pilot study**  
*Jesper R Davidsen (DENMARK), J Søndergaard, J Hallas, HC Siersted, M Andersen*
- PCI25 **Physician use of saline nasal wash for upper respiratory conditions**  
*David Rabago (UNITED STATES OF AMERICA), A Zgierska, A Bamber, P Peppard*
- PCI26 **A mobile diabetes nurse in General Practice. An evaluation of an experiment**  
*Gitte Gunnensen (DENMARK), F Skovsgaard, H Mortensen, B Nielsen*
- PCI27 **Lactase non-persistence genotype and milk consumption among young Northern Russians**  
*Yulia Khabarova (RUSSIAN FEDERATION), S Tornaiainen, I Jarvela, M Isokosk, K Mattila*
- PCI28 **Effects of an active implementation of a chronic disease management programme for patients with COPD**  
*Margrethe Smidth (DENMARK), P Vedsted, F Olesen*

- PCI29 Use of migraine medicines in Finland**  
*Markku Sumanen (FINLAND), M-L Sumelahti, K Mattila*
- PCI30 Local good care model for type 2 diabetes – from a problem to a solution**  
*Susanna Varilo (FINLAND), P Sweins, K Koivisto, A Sunila, K Winell, P Soveri*
- PCI31 The effect of case management in complex cancer pathways**  
*Christian Wulff (DENMARK), J Søndergaard, P Vedsted, S Laurberg, P Rasmussen*
- PCI32 Patient and doctor related factors associated with control of hypertension in General Practice in Denmark**  
*Maja Skov Paulsen (DENMARK), A Munck, D Gilså Hansen, J Søndergaard, M Andersen*
- PCI33 Symptom presentation in cancer patients in General Practice**  
*Tine Nørgaard Nielsen (DENMARK), R Pilegaard Hansen, P Vedsted*
- PCI34 Quality of care for ethnic minority patients with type 2 diabetes mellitus in General Practice in Oslo**  
*Anh Thi Tran (NORWAY), AK Jenum, JG Cooper, T Claudi, MF Hausken, W Ingskog, J Straand*
- PCI35 Occupational therapy for palliative cancer patients – a randomized controlled trial**  
*Line Lindahl Hjelmroth (DENMARK), J Søndergaard, D Gilså Hansen, LM Clausen, O Olsen*
- PCI36 Does the organization of a General Practice effect the hospitalization of COPD patients?**  
*Michael Hejmadi (DENMARK), H Støvring, M Andersen, K Edwards, I Titlestad, J Søndergaard*
- PM37 CME in small groups of general practitioners in the Nordic countries**  
*Torben Andersen (DENMARK)*
- PM38 Ultrasonic examination or Naegele's method for determination of birth term**  
*Mikkel Granlien (DENMARK), VD Siersma*
- PM39 SKUP evaluations for CRP, PT-INR, HBA1c and haemoglobin**  
*Esther A Jensen (DENMARK), P Grinsted*
- PM40 Scandinavian evaluation of laboratory equipment for primary health care (SKUP)**  
*Per Grinsted (DENMARK), EA Jensen*
- PM41 A centre for quality regarding GPs – what to consider**  
*Heidi Mortensen (DENMARK), B Nielsen, AS Nielsen*
- PM42 Quality of education in health centres – trainees' view**  
*Kari Mattila (FINLAND), A Savolainen, I Virjo, D Holmberg-Marttila*

- PM43 Well considered examinations – well considered treatments?**  
*Peter Sweins (FINLAND), R Mäkinen, S Varilo*
- PM44 Experiences of user benefits from two E-learning programmes**  
*Jesper Lundh (DENMARK), TK Jensen*
- PM45 List of basic drugs used in General Practice (Basislisten.dk)**  
*Marianne Møller (DENMARK), JP Erthøj, J Holmelund,  
KM Nielsen, HN Jakobsen, K Schæfer, L Due, P Ehlers,  
PM Christensen, LR Hansen*
- PX2.46 Complainants in General Practice. Who are they and why do they complain?**  
*Søren Birkeland (DENMARK), M Hartlev, PB Mortensen,  
N Damsbo, J Kragstrup*
- PX2.47 Multicultural appearances of depression – a challenge for the general practitioner**  
*Arja Lehti (SWEDEN), A Hammarström, B Mattsson*
- PC48 Obesity and the efficiency of sibutramine therapy in General Practice**  
*Marija Zelic (SERBIA)*

# Saturday 16 May 2009

## 09.30 – 10.15 Key note lecture

Key note lecture by Martin Marshall, MD, professor (UNITED KINGDOM)  
*Practice, politics and possibilities:  
addressing the challenges facing general practice*

## 10.15 – 12.00 Closing Ceremony

Nordic Research Prize in General practice – Friederichs Nordiske Pris  
Introduction by Gert Almind, Chair of the Grant Committee, DK  
Speech by the grant receiver

Introduction to the Danish annual GP congress Lægedage (Doctors' Week) by Flemming Skovsgaard, GP, president of Doctors' Week organising committee

Summary of the Congress by Susanne Reventlow, President of the Scientific Committee, and members of the Scientific Committee.

Closing remarks and invitation to the next Nordic Congress by Anna Stavdal, Chair of the Nordic Federation of GPs, N

Introduction to the Nordic Congress in Tromsø 2011 by Gisle Roksund, Chair of Norsk forening for allmenmedisin and Svein Steinert, Chair of the organizational committee Tromsø 2011

Closing of the Congress by Roar Maagaard, Chair of the Danish College of GP, DK

## 12.00 – 13.00 Informal lunch in the foyer
